

## Announcement - December 2024 PAKISTAN WORLD ALLIANCE (PWA)

### Who we are

The Pakistan World Alliance is a federation of global organisations working together for the implementation, protection and preservation of human rights and civil liberties in Pakistan and across the world.

### Vision

A just world where citizens access and enjoy universal human rights and civil liberties, enabling them to flourish as individuals and societies in Pakistan and across the globe.

### Mission Statement

To operate as a federation of global organisations for the enforcement of judicial independence and the rule of law, implementation of true democratic process, and access to universal human rights for all.

To contribute to creating a world where transparency and accountability are integral to society, empowering individuals and communities to engage in meaningful activism for advancement of societies worldwide.

To strive to inspire hope, spark positive change, and create a lasting global impact.

### Core Values and Initiatives

1. **Human Rights Advocacy:** Challenging human rights violations for the protection of all citizens.
2. **Strengthening Democratic Processes:** Working to ensure free, fair, and transparent elections.
3. **Empowering Communities:** Fostering engagement and civic participation to give people a stronger voice.
4. **Collaborative Initiatives and Outreach:** Working with and alongside relevant individuals, organisations, and institutions globally.
5. **Legal Support:** Providing tools and frameworks to challenge human rights violations and unconstitutional actions, demanding accountability for all.
6. **Media and Awareness:** Propagating critical human rights violations affecting people's lives.
7. **Research and Strategy:** Proposing solutions and developing actionable and sustainable plans to address systemic human rights and civil liberties challenges within societies.
